This is a final office action for application number 09/955,467, Bracket Assembly Lock, filed on September 17, 2001.

Cancellation of Claims

Claims 9, 10, and 12-21 have been canceled per applicant's request.

Claim Rejections - 35 USC § 102

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Patent 4,463,828 to Anderson. Anderson discloses lock (80) for mounting an angle bracket on an upright, the lock comprising: a pair of side members (82, 84); an outer jaw (86) and an inner jaw (90) coupled to the pair of side members; a fulcrum bar (101) which is adapted to couple the pair of side members to the angle bracket, the pair of side members being capable of pivoting relative to the angle bracket about the fulcrum bar; and at least one of the inner jaw and the outer jaw comprising a substantially flat, toothless contact surface which is adapted to contact a substantially planar longitudinal surface of the upright over a planar region, the at least one of the inner jaw and the outer jaw being capable of pivoting relative to the pair of side members and the angle bracket.

Allowable Subject Matter

Claims 2-4 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claims 5-7, and 11 are allowed.

Conclusion

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
